

Chrisagis Brothers

Oct 10, 2019

One of the great blessings in having a ministry for over 36 yrs is meeting fellow ministers. It is a rarity to stay in contact with ministers who you meet on the road. In the case of Rev. Michael Cogley we have become not only acquainted through ministry but bonded as brothers in Jesus.

Michael Cogley is a dynamic Word based teacher and anointed preacher of the Lord. There is no gray area in his messages. He approaches his audience with humor as well as power and insight to the scriptures. You would be blessed to have him come and share what God has given Him in both Word and song.

He is a man who has gone through alot in life and has been refined for a time such as this. Be prepared for a good Word and a move of God.
