To Whom It May Concern,

Greetings in The Name of The Lord Jesus Christ!

I am happy to recommend Dr. Michael Cogley to your local church for ministry. Mike and his wife, Mary have ministered at the church I currently founded and pastor.

Mike possesses a wealth of both educational and ministerial experience that will be a blessing to your local church. His education began at Valley Forge Christian College where he studied pastoral ministry. He also studied Bible at Florida Theological Seminary. To broaden his leader skills, he studied Organizational Leadership at Wheeling Jesuit University. This past year He received his Doctor of Divinity degree from The Master's International University of Divinity. In the past Mike served as adjunct professor for West Liberty University as well

Not confined to formal education, Mike also has years of experience in the active ministry. He's pastored several local churches In Maryland, West Virginia and Ohio. Not only does Mike hold pastoral experience, but he's also served as an evangelist to many local churches.

As previously referenced, I have personally had Mike and Mary minister in our local church, and it was a joy to witness Mike preaching sound doctrine to our people. God used Mike to minister to several people in the gift of healing.

I believe that both you and your church would be edified and blessed by hosting Mike and Mary Cogley for ministry. If you have any questions feel to contact me personally at 724 388 2628.

In His Service,
Pastor Paul Price
Cornerstone Worship Center Inc.
